Visit the General Store. If you lived 100 years ago, what would you put on your Christmas list? Look around!

- * How are the decorations different and/or the same from your house?
- * How do you think the holidays were celebrated in these families?
- * What kind of presents were given to children in 1861? What about 1901? How does that compare to presents you receive?

Try to find these holiday decorations throughout the Village. Write where you find it. Does it look like the picture or a little different? Do you have any at your home?

When you meet a historic character, ask them questions. You might try starting with:

- ◆ How do you celebrate the holidays?
- ◆ What kind of special foods do you make or eat to celebrate?
- ◆ What kind of presents might be under the tree?
